

Do parents need to prepare their children for the course?

- Parent's support is required and it would make this program succeed.
- Parents can help Grade 1 to 5 students read books online through YMOH Reading Room.
- Parents might also take children on a little stationery shopping spree to buy them color pencils, crayons and coloring books, so they can occupy themselves at free times and feel in charge of their learning.

What is the format of the courses you offer?

- There are 2 classrooms of 8 -10 students in each classroom that meet for 1.5 - 2 hours, 5 days a week Sunday to Thursday.
- Class timings will be based on the UAE timings. (+4 GMT).
- We would also provide in-house counseling for parents and students regularly.

Is the program accredited?

- No, we are looking into this matter for our students who complete grades 3 and above. However, we provide half yearly reports all grades.
